# Working together to take action on drug poisonings in Edmonton

**Communities for Drug Poisoning Prevention** is an initiative that aims to address the issue of drug poisonings in Edmonton. Through community engagement and the support of community driven ideas, we hope to make a positive impact on the lives of those who are at risk of drug poisonings and the communities they are a part of.

**If you need immediate support please call the following:**

Call the **24/7 Addiction Helpline at 1-866-332-2322** to connect with information and referrals for Albertans experiencing addiction.

Call **911** and an operator will walk you through how to respond to a poisoning as well as dispatch an emergency team.

Call **The National Overdoses Response Service at 1-888-688-6677** for support if you are using substances.
